Me and my sensei 🥋

Jesus ✝️

were in China

He was Teaching me lessons about stillness 🧘‍♂️🌿

Then he told me stories

Of how many battles he fought

My God

When he was first crowned the dragon warrior 🐉🏅

The devil couldn’t stand him

He said command these stones to stone

Prove your the son of God

He wanted Jesus to join the dark SIDE😈🌑🕷️

Then he said “ ENOUGH, FEAR THE lord

Your GOD AND SERVE HIM ONLY”

The the devil furious 😡🔥

swung at him 👊

Jesus with his God level Strength

Felt not a thing 😎

Not even a drop a blood

Then pushed him away like a GOD

dismissing a mortal

Saying

I will deal with you later Satan

Then the devil thought he got him

He sent his minions

To kill Him

In the Cross

Then Jesus died and wokeUp

like SIKE 🤭😆

Infiniti level ♾️💫 and BEYOND

You thought you could really kill a GOD? 🤨

He wasn’t finished

He rose up like Superman

fleeing the earth before judgement

Then the devil became even more furious

Lucifer was like

Doofensmirtz 🤓🧪

Too strategized

Too corny

Too much of a agenda

He had a secret lair in the bootleg of the earth

Where he sent his demons and fallen angels to rule over the earth

And many beasts spirits to tyrant over many 🐍🐉

But the SON of GOD ✝️👑

was not FINISHED

even in heaven

The lord had his servants ready

His angels

Fighting the minions of the devil

While Jesus stepped down and fought the beasts of many forms

I saw the dragon warrior fight tai

lung like boom Kablam! 💥💢

Bodaciously AWESOME 😎

Tai lung fought so hard to get the Bible's 📖

Power

The scroll that Ooogway kept hidden for Centuries

But alas he saw nothing but blank once he opened

It was blank

Becaue the Bible doesn't open up to stiff necks and grown ups🤦‍♂️

Then I saw Jesus fight Lucifer in the pits of hell

Like Obi wan to Anakin

Jesus fought with Ultimate Powerful Secret lightsaber

It was Gold colored

They fought like Ting ting schew schewww ⚔️💫✨

The devil was no match

Jesus only used one form Shii Cho

The oldest

The slowest

Yet the most powerful

He didn’t even have to try 😎

One hand was behind his back

While the other fought

The devil

Used

vaapad

Djem so

Even forbidden Forms 🚫👁️

He tried everything

But he just couldn’t STOP him

He was too much

Then the lord said

Hmmm

“I’m Only using 1% of my power”

And then he mourns

“Lucifer

You were Most beloved of the angels

Yet you fell like lightning

And grew mad with the sand

It’s over Lucifer

I have the High Ground

Then he slashes him into the pits of hell

Ahhhhhhhhhhh he says

He fell to the lava

And suffers in eternal HELL

Then I saw another fight

Robin Hood 🏹🌳

He fought the prince of England

Who had all the Gold of the Empire

Robin Hood came in swinging with his grappling hook 🪝💥 and kicked the prince out the window 🪟👢

“out ya go prince John”

Then he came for more

He pulled his swashbuckling Buckeyed sword ⚔️🏴‍☠️

And fought the prince of England

It was the greatest divine battle I ever seen

The devil trained and trained and trained

But even training in his lair

Was no match for the LORD

the SON OF GOD

I saw Jesus blast Voldermort

The Son Of God came in like ⚡

Lightning from Heaven

And Said

ENOUGH

voldermort said AVADA KEDABRA !!! 🪄l

then they CLASHED

the Lord toyed with him

His power was no match then Voldemort said NO NOOO

He was stricken

Right in the heart

And his body disintegrated

Flakes flying away

Like sand after the water takes it whole

The Son of God wins once again

I’ve seen the Score Board

How many matches have Jesus won against The Devil

Let’s see 👀

♾️ INFINITY - 0

He LOSES 👎

Every fight in the spirit realm

Wins and never loses

Then the lord GOD in heaven

Said on top of His divine Council 🏛️

Who can beat my divine champion

The SON

The UNDEFEATED

WORLD CHAMPION of GOD

No

Man

No

Army

He is

My son

My divine CHAMPION 🥇

his belt

Had the name of the ones written of Those in the book of life

While medals covering his chest

Too many to

Count

The Son of GOD has fought many battles

Too easy 😎👌

And when it is time

we will

Plead with him

Like

Children

Begging for Superman to

Come save us

And as I beg for him to save me

I see VISIONS

Dreams

His encounter shining on my eyes saying

A finish scene

With flashbacks

With Jesus saying in it

“I hear your cry

Don’t You worry

I

Am

Coming

quickly”

Then just like that

He come

Down like

ZOOM ⚡💨

Superman with his blood cape flowing in red

ZOOM

faster than light

A TRAIL blazing

comet across the sky

And his fist clenched really hard

and BOOM

He shatters the sky with his bare hands

The heaven and the earth has been revealed

And the

DIVINE ✨

SON

Of

GOD

takes the infinity gauntlet

And

All

The stones 💎💎💎💎💎

Moses 🙏

Abraham ✨

David 🏹👑

Ezekiel 👁️

Daniel 🦁

Everyone

He puts on the word his gauntlet on his

Hand

And says

it is Done

and then

BOOM

He snaps

The Crowd goes wild

WOAHHHH

then the lord GOD Shouts from The heavens

“The VICTOR HAS BEEN DECIDED”

HE WINNNSSS omgggghg

Divine Victory

then it all ends

We’re finally free

I told Jesus like wow

How mighty are you

Can you teach me some of your moves father

I wanna be a warrior like you

You’re so cool

Then he gets up and says follow me

And we vanish with the wind

The heaven and the angels

Claps at the end

Like the sounds a ambitheetaer

AHHHHHH

What a beautiful movie

Best Story of my Dang LIFETIME

lol

I’m

Delusional

At this point haha

Delulu for Jesus indeed 😌✝️❤️✨
